CIRCULAR

PARTICIPATION OF PLAYERS IN INTERNATIONAL TOURNAMENTS AT THEIR OWN COST

Dear All Colleague,

It has been observed that players participating in international events at their own cost are not attending the Managers' Meetings.

In this regard, it is hereby informed that attendance at the Managers' Meeting is **mandatory for all participants**, including those competing at their own expense.

As per the regulations of the Badminton World Federation (BWF), failure to attend the Managers' Meeting will attract a penalty. The concerned player shall be solely responsible for the payment of such penalties.

It is the **sole responsibility** of players participating at their own cost in any international tournament to comply with all applicable regulations, including mandatory attendance at the Managers' Meeting.

All Secretaries of affiliated Units/Organizations of BAI are requested to **inform and ensure** that their respective players strictly adhere to this requirement.

Non-compliance will result in the penalty being borne by the player(s). Further, in case the penalty is not paid within the stipulated time, the player's entry will **not be forwarded for participation in future international tournaments**.

Hony. General Secretary
