Sub.: Availability of Selected Players for Representation of Maharashtra in West Zone and National Championships

Dear Sir/Madam,

It has been observed that on certain occasions, players who participate in Maharashtra State Selection Tournaments and secure selection in the Maharashtra Team subsequently express their inability to represent the State in the West Zone and/or National Championships.

In order to ensure proper planning and effective representation of Maharashtra at various national-level events, all affiliated District Associations are requested to advise their players that participation in any Maharashtra State Selection Tournament/Championship during the year 2026-27 shall be deemed as their willingness and commitment to represent Maharashtra, if selected.

Accordingly, all players entering State Selection Tournaments/Championships must ensure their availability for participation in the respective West Zone and National Championships for which the selection is being conducted. District Associations/Units are requested to communicate this requirement to all players, parents, coaches, and stakeholders well in advance.

In case a selected player is unable or unwilling to represent Maharashtra after selection, the Maharashtra Badminton Association reserves the right to take appropriate action as per its rules and regulations.

Your cooperation in this matter will help maintain the integrity of the selection process and ensure that Maharashtra is represented by committed and available players at all levels of competition.

Kindly circulate this information among all concerned.

Warm regards,
